## Bloodletting Drive 2016

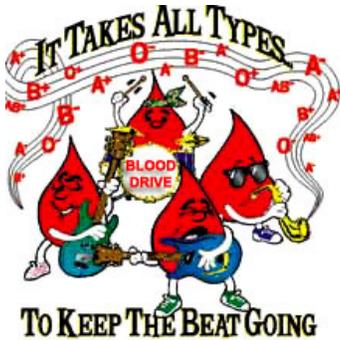

Donating blood does not only let you help save lives but it also benefits the donor as it improves your heart health as well. According to Dr. Stephen Sinatra, “ *When you donate blood it reduces your blood volume and promotes healthy blood viscosity, or blood flow* ” (<http://www.drsinatra.com/surprising-health-benefits-of-donating-blood/>).

As part of the company's social responsibility, an annual bloodletting drive is being done through and for the Veterans Memorial Medical Center (VMMC) Department of Pathology and Operation Lifeline.

This year's bloodletting drive was done last 7 October 2016 on board the Kapitan Felix Oca.

We would like to thank everyone who came out and participated in this very important cause. May the good Lord bless you even more!

Together, we can make a difference!

## 9th SNS/NSPI Crew Training & Safety Seminar 2016

SNS held its 9<sup>th</sup> Crew Safety and Training Seminar last November 09 - 11, 2016 at Abagatan ti Manila in Alfonso, Cavite.

The seminar's main aim was to identify possible emerging risks or challenges for safety and health at work. Ensuring that crew follow safety procedures and rules for all the operation carried onboard ship. Besides safety management topics, it includes update on policies, plans and programs of SNS, various crewing matters and teambuilding activities. Presentation of awards

## VMMC annual awards

Last 22 November 2016, NSPI has been invited to attend the 2016 VMMC Operation Lifeline award and recognition ceremonies at the Basilio Valdes Hall, Veterans Memorial Medical Center (VMMC).

NSPI was one of the recipients of the Gawad Papuri Awards for organizing an annual bloodletting drive through and for VMMC's Department of Pathology in partnership with Operation Lifeline.

The plaque was awarded to Ms. Imelda Dela Cruz, the company's representative and organizer of its bloodletting drive.

To entertain the guests, VMMC Department of Pathology gave a song and dance number.

The event ended with an inspirational message from Dr. Nona Dela Fuente - Legaspi, VMMC Medical Director.

Looking back, she shared how it all started, how during their firsts bloodletting drive, very few people showed up and how in spite of the situation it did not discourage her and her team, the very reason why they are holding annual awards and recognitions for people and organizations who have been touched and believed in this cause.

## NSPI Christmas Party 2016

NAESS Shipping Phil., Inc., celebrates its Christmas Party with a theme “Back to the 80’s”, held at 2211 Works. It was hosted by Vannie Ducena and Nicolía Anonical. Everybody looks really awesome with each outfits, cool and colorful.

Party begins with a traditional program. Started with a prayer, followed by an Opening speech by our very own President Mr. Pedro Miguel F. Oca. Then the awarding of the employees, next is the dance contest, raffle draws and exchange gifts.

For the employee awardees. The “Most Punctual” award was given to Ms. Hazel Posadas the Admin Coordinator. The “Best in Attendance” award was given to Ms. Tashi Almo - Asst. Finance Manager – Payroll. And the “Employee of the Year” awards was given to Ms. Bernette Cubol – Payroll Administrator, Ms. Cecille Fermin – Crewing Processor and to Ms. Edina Diaz – Asst. Crewing Manager.

The tense part of the program was the dance contest, where 3 groups were formed and competed. Luckily, Group 2 – Tracy’s team was the Champion and received a monetary award amounting to eight (8) thousand pesos. The most exciting part was the raffle draw. Well, everybody received a price, but only one employee will received the Grand Price which is the “E-bike” it was sponsored by Mr. Oca. The fortunate winner was Ms. Edina Diaz one of the Operations Staff.

The company hired a band to sing for us and entertain us after the program. Dancing-partying all night. Everybody did not go home empty handed. Party ended up with a smile on everyone’s face.
